VOTE FOR THE SEWER BONDS.

THE FOR THE SEWER BONDS.

It is not be disappointed. A calified member abstraction at work time and place whose laftened will be tell in the any person interested in said registered. Should do so with the object drarting of "dry" regulations was in writing to said account and conof qualifying fronth bond election proposed for the purchase hang sense system. The population of Tonopah has been langed supporting last general election and property inpresent up the hands of many whose residence dates dary few months. Fortunately these newcomers represent dary from all pheasured it is to this class that the Bonanza appeals for property of them to place their names on the register so of whom the day arrives they will have a voice in the community nothing to say about regulating the health of the town. lose who have been here for any length of time realize that the roust pressing peed of the hour is to arrange for better sanitation and the adoption of regulations that will mure to the health of the The amount asked for the present privately owned sewer stationals and marginal small and it is patent to all that the work should not be applicated for anything like the price asked from the trappayers of the town of Tonopole. The payments are so graduated ico. No. official action has been they will not entail any hardship on the smallest property taken on that phase of the question where for it is estimated, that the revenue now derived from the use of the sewers would meet all obligations and leave a sinking found for retargment of the bands as they mature. The proposition governor of the state of Sonora, rehas the embersement of the engineer of the Nevada Public Service cently revived several "dry" laws Commission and that re-commendation should carry great weight and announced they would be ensince it is not influenced by local sentiment and is based on the one forced. These regulations provide be taken the town has expanded to such an extent that it would severe punishment for persons convicted of the illegal sale of liquor. mythe an epidemic to go any further without improving the sanita- The legislature of the state of Camtion. The ardinaries suggested does not earry with it the necessity peche has discussed "dry" measures for connecting every calon or small home for it is restricted to a for some time but it is improbable for disposing of the sewage. The rate of interest to be borne by these bonds bonds 6 per cent which is extremely reasonable in dry law thereo be enacted measview of the commercial rate obtaining in all parts of Nevada. Six ares regulating the manufacture and per cent on \$10,000 is only \$3000 a year and this amount would be sale of intextcants. automatically reduced as the principal is liquidated so that, as a matter of arithmetic, the interest charge would not exceed one-half that amount after the first five years as 50 per cent of the bonds would be retired by that time and, in another five years the whole amount would be wiped out and the city left in full and undisputed possession of the property and franchise,
